

Sheba School Canine Training Presents

Heather Wisner

Heather Wisner is a K9 handler for a Search and Rescue team in Wisconsin. She has been in Search and Rescue for 8 years as a ground searcher, flanker, radio operator, drone pilot and assisting in Incident Commands.

Heather finished her master's degree in K9 Forensics, having a publicly published paper that addresses training issues in HRD K9 training.

Heather has worked with two Wisconsin State Representatives to develop the first search dog bill for the state of Wisconsin.

Heather was awarded the Wisconsin Hometown Hero award with her Canine Obi, in 2022. Heather was invited to be a speaker at the first Canine Science Conference in the United States in May 2023.

She continues to work with teams across the States and Canada to assist in the advanced training of HRD for Canines.

Heather has helped in many forms at locations and has given talks on her research. Giving lectures at places like the science conference in Miami, are some places Heather has shared her wealth of knowledge.
